Greetings!

The First Class Club is more than a checking account – it's an opportunity to immerse yourself in a group of individuals seeking a sense of community, engagement, and belonging. Did you know, with your First Class Club Checking account, First Bank & Trust organizes day trips, weekend getaways, weeklong tours, or international bucket-list destinations? I hope you consider attending one of our open houses this summer in Cambridge, Princeton, or New Prague to learn more about the benefits of an account. Dates and locations can be found to the right!

If you don't want to wait for an open house or have any questions, please send me an email or give me a call; I'm always open to hearing your ideas. Together, we are part of something extraordinary, and I can't wait to watch our First Class Club grow into the community I know it can be.

Here's wishing for amazing weather this summer!
Kind regards,

Becky
