Greetings, First Class Club Members,

As the winter winds down, make sure to take precautions when walking outside, as the melting ice and snow can make for slippery conditions. Speaking of the spring warm-up, daylight saving time starts in March, so don't forget to "spring ahead" one hour before you go to bed on Saturday, March 9.

On behalf of all of us at First Bank & Trust, I thank you for your continued business. I hope the first two months of 2024 have treated you well!

Hello, April

A good day isn't always
Perfect. It challenges you to
Release your potential and
Inspires you to appreciate the
Little, amazing things in life.
