

Greetings, all!

Summer was good to us, and as we “fall” into autumn, it’s a great time to think about what you would like to see for yourself this season. We are entering a time of crisp air, colorful leaves, and cozy vibes. It’s also a season of more connections with friends and family as we approach Thanksgiving. Maybe you’re ramping up some outdoor activities to enjoy the colors of the season or travelling somewhere on your bucket list. Whatever it may be, I encourage you to use this opportunity to reflect and rejuvenate yourself as we enter this glorious time of year.

We have some exciting travel coming up for 2026. If you’d like more information, please come and see me at the Garretson location. I would love to travel with you in the future!

As always, I love seeing your smiling faces in person, so stop in when you are able.
