Greetings!

Summer is finally here and very much welcomed! While winters feel long, summers feel incredibly short and busy. We are planting long-awaited gardens, finding the perfect opportunity to hit the road to a new or favorite destination, going camping on weekends with friends or family, and firing up the grill every chance we get – the list goes on. I'm especially looking forward to this summer being a great opportunity for the First Class Club to grow in your area!

Keep a lookout for open house announcements in your area for this August and September. My hope is that you will attend – and bring a friend or two – to learn more about the First Class Club and share some insight into what kinds of travel, events, or trips you'd enjoy. Think of day trips, weekend getaways, weeklong tours, or international bucket-list destinations. I can't wait to hear your thoughts, suggestions, and wish lists! If you don't want to wait for an open house, please send me an email or give me a call; I'm always open to hearing your ideas. Some of life's best moments are made while experiencing something new, and it would be my pleasure to help plan that new experience.

As temperatures rise, so does the excitement for summer vacations. I would love to hear about all the adventures you have planned for 2026 and share the exciting tours we have planned for 2027!

Sunny regards,

Heather
