Summer is the annual permission slip to be lazy. To do nothing and have it count for something. To lie in the grass and count the stars. To sit on a branch and study the clouds.

Dear First Class Club Members,

It's summer! Isn't it wonderful to feel the sun on your face, walk outside without a jacket, and not have to worry about ice and snow? We do have to deal with the pesky gnats and mosquitos, but summer in Minnesota is a glorious time. We are fortunate to be able to have so much to see and do in this great state in the summer.

Going "up north" is a rite of passage that just about every Minnesotan partakes in. As most of you know, I am from the southern part of the state, so I tend to "go south." The valleys and vistas of the southeastern area of our state are not to be missed.

We had an enjoyable 1-day Mystery trip to the great state of Wisconsin in May. You can't visit Wisconsin without eating cheese. We had some great cheese at the Cady Cheese Factory. We were also able to see how beer is made at the Leinenkugel Brewery. If you did not have the opportunity to go, I suggest taking a road trip and visiting the Chippewa Falls area.

Hope to see you on our next trip!

Diane
